reflection . . .

*On the
Wonders
of
Nature*

"To him who in the love of Nature holds
Communion with her visible forms, she speaks
A various language; for his gayer hours
She has a voice of gladness, and a smile
And eloquence of beauty, and she glides
Into his darker musings, with a mild
And healing sympathy, that steals away
Their sharpness, ere he is aware."

"Thanatopsis" Bryant

Standing as we are on the threshold of the world, we face disappointments and doubtful times in the years to come. As these situations arise, what can better dispel them than a moment's reflection on the beauty and wonders around us? Is there anything more beautiful than the tranquility of a flowing river or the solitude of a country road? What wonders of modern science can equal the mysteries of the vast sea or the radiance of the setting sun? As you turn the pages of your 1964 Aqua Clara, we invite you to consider the loveliness of our natural surroundings. Perhaps you will recognize, as we did, that our years at CHS have been inextricably connected with the wonders of Nature.

A Final Thought

Dedication

Because your warm smile
And friendly words,
Like sun shining down
On daisied hillsides,
Gladden our hours . . .

Because your hand is
A helping one
Extended without hesitation
To carry us over
The rocks and currents
Of adolescence . . .

Because patiently
You impart to us
The fruits of the trees
Of truth and knowledge . . .

And finally, because
We admire you for
Intelligence,
Candor,
Wit,
And
Kindliness . . .

Our 1964 Aqua Clara is dedicated to you,

Coach Emmett Lowery

Alma Mater

Long shall we praise thee, Crimson and Gray,
Following your guiding light, showing the way.
Through years together, dear to each heart,
Mem'ries shall follow, as soon we part;
Where e'er we wander, down through the years,
In every reverie your vision appears.
Through God our Maker, until we die,
Our loyalty we pledge to thee, Clearwater High.

There are certain qualities necessary for successful citizenship in relation to our American way of life, individually and cooperatively. Many debates, discussions, and writings have attempted to set forth these qualities. We must continually study, evaluate, and have constructive action to keep alive the qualities that make great citizens and great nations.

Character is the first quality, since it is all-inclusive. Then come courage, loyalty, honesty and integrity. The aforementioned are undergirded and nourished by intelligence, reliability, judgement, and persevering patience. The composite of these characteristics is "Our America."

The future of America rests greatly upon you and other coming generations. We need to take stock of our actions in relation to the above qualities and rechart our directions and rededicate our lives to accepting and discharging the responsibilities that are inherent to our American way of life.

The basic truth of our democracy is that for every privilege an American may claim or enjoy in this country, he has a corresponding duty to perform. Democracy's safeguard is the enlightened conscience of the people. The enlightenment must include: training for civic responsibility; a personal responsibility for our government and supporting our laws; a responsibility for protecting differences; a responsibility for the general welfare; a responsibility for leadership.

Democracy cannot be endangered if each citizen appreciates his privileges and is conscientious in performing his responsibilities. Will our American way of life be better because of your citizenship? The answer is up to YOU.

ENGLISH

English is our tool of communication and therefore, perhaps, the most important subject taught at Clearwater High School. Beginning with the sophomore year points of grammar and vocabulary are ably presented to the students. In the way of literature short stories, essays, and the novel *Silas Marner* are studied. With the junior year comes a more detailed study of American literature. Seniors embark upon a voyage into the wonders of English literature and the pains of the research paper. In Journalism, Annual Staff, and Advanced Composition students are presented with the opportunities to apply the principles learned in English class. In the spring students are given the chance to submit original works to the literary magazine *Fathoms*. Clearwater High students are assured of a sound English foundation as they either prepare for further study in college or seek places in the world of business.

In the largest and loosest sense, all fiction is symbolic.

The department of mathematics offers a variety of courses that are both interesting and stimulating. For the college bound student such courses as advanced algebra, trigonometry and calculus are offered.

For the less scientific minded student courses in mathematics, elementary algebra and geometry are interesting. S.M.S.G. courses and others open the door to an understanding of the "new" mathematics.

The Science Department at CHS offers to the students a complete and comprehensive Science program. Through able guidance of the staff, the following courses are taught: PSSC, Physics, Chemistry I and II, Biology I and II, Physical Science and Physiology. These courses are enriched and made more interesting through class discussions, the facilities of the laboratory, and the A-V equipment. No matter what field of science a student wishes to enter, he will find the courses offered at CHS to be most profitable.

Some of the most important courses offered in our modern school system are those included in the Social Studies Department. Today awareness of world affairs and the history upon which they are based is imperative to being good citizens. World History, American History, Psychology, Economics, American Government, and Americanism vs. Communism are taught to the three grade levels. Senior Social Studies — Psychology — Sociology, Government, Americanism vs. Communism, and Economics — are held in the A.V. room with classes ranging from 100 to 125 students. There are two TV classes this year — American History and World History.

"Maintenant, class, regardez la carte de France."

The Romance Languages are well represented at Clearwater High. Latin, the basis of them all and an important contributor to our own English, is taught through four years. Its study includes not only grammar instruction but also a glance backward into the great civilization and literature of Rome. Inter Nos affords Latin students the chance to pursue their interest outside the classroom.

Four years of Spanish are competently taught by three CHS teachers. Because of its importance in the world today and its prominence in our area, Spanish is the most popular foreign language offered. Los Gauchos has an active membership which furthers individual study and comprehension of Spanish.

French is taught for two years. Supplemented by the club Les Esprits Gais, this course gives the student ample opportunity to begin a study of one of the most beautiful of the modern languages.

The Crimson and the Grey we'll wear . . .

Mr. Yanetovich continues to maintain a topnotch Instrumental Music Department. With the Concert Orchestra, Cadet Band, Swing Band, German Band, and the outstanding Crimson Tornado Marching Band, this department presents frequent concerts throughout the year for the enjoyment of school and community music lovers. This year the Crimson Tornado Band had the great honor of being the first Florida band to represent the state at the World's Fair which took place in New York. In addition to the multitude of musical opportunities offered at C.H.S., there is also a music composition class in which students write their own works which are played in concert by the full band and orchestra.

Music is said to have the power to soothe savage beasts. Under the direction of Mr. Sackett our Vocal Music Department is quite capable of doing this. With Chorus, Choir, General Music, and Music Theory Mr. Sackett has launched C.H.S. on the road to music appreciation.

BUSINESS EDUCATION

Clearwater High is very fortunate to have a modern Business Education Department. The courses offered are necessary for those planning a career in business; however, such courses as Typing and Shorthand are beneficial for every student. The courses in the Business Education Department are: Business English, Business Arithmetic, Typewriting I and II, Shorthand I and II, Bookkeeping I and II, and Personal Typing.

D.C.T.

Diversified Cooperative Training is a program designed for high school Juniors and Seniors interested in trade areas such as machine shop practice, electronics, radio and television servicing, auto mechanics, nurses, dental assistants, and many others. The students complete their high school graduation requirements by attending school one-half day and working the other half day. This provides work and compensation as well as learning situations for those engaged in DCT.

DISTRIBUTIVE EDUCATION

Clearwater High School offers the Distributive Education program to Seniors and Juniors who desire to learn for careers in merchandising and marketing. These students attend school one-half day to complete graduation requirements while they work and earn in their respective positions.

Top physical condition and good sportsmanship are the goals of the Physical Education Department. Students are given the opportunity to participate in and learn the fundamentals of various sports. The varsity sports which constitute such an important part of the school year are under the supervision of our Phys. Ed. instructors. Girls are also given the chance to engage in after school activities by taking part in intramurals.

The Speech Department, under the conscientious direction of Mr. Van, continues to bring honor and recognition to Clearwater High School. Through Speech his students are given the opportunity to develop adeptness at speaking and organization of thinking. If they show interest and ability, they may be selected for the most advanced course, Debate. National Forensic League, one of the most active organizations at C.H.S., is an outgrowth of the Speech Department. It regularly offers its members competition with area and state high school students in original oratory, debate, extemporaneous speaking, dramatic interpretation and humorous interpretation.

As students assume the grave responsibilities of driving a car, they are provided with the proper instruction by the Driver Education Department. The students are given classroom instruction concerning the mechanics of an automobile and other information related to rules and regulations of the road, and the care of the car. In addition, they are given actual driving experience on the open highway and in city traffic and practice in controlling a car in various driving situations. The course was greatly supplemented this year by the addition of a driving range in the C.H.S. parking lot. The City of Clearwater offers the opportunity to practice in city traffic and to learn other traffic skills essential to becoming a good driver.

General woodworking, arts and crafts, and mechanical drawing compose our Industrial Arts Program. Designing and constructing wood products is the object of woodworking students. Projects are designed, their construction studied and the project produced by use of academic activity in conjunction with laboratory work. All projects are achieved by hand and machine processes.

The basic aims of the Arts and Crafts courses are to develop skills through working with copper, leather, ceramics, and other materials, and to fill leisure time with self-satisfying work.

Engineers, architects, and designers use mechanical drawing to record their ideas. It has been called the "language of industry." Mechanical drawing teaches exact thinking and visual and imaginative construction.

Welcome to the C.H.S. library

LIBRARY

We at C.H.S. are very fortunate in having such a well-equipped and well-staffed library. The library facilities are available free of charge to students anytime during the day and on designated evenings. The efficient library staff helps students to locate what they want. The library is also the center of Audio-Visual materials used by teachers to enrich classroom lessons. For those students planning on college after graduation, the complete college section in the library should prove helpful and interesting.

CAFETERIA

Under the competent supervision of Mrs. Hogue, our Cafeteria Staff daily prepares balanced and attractive plate lunches for teachers and students. In addition a selection of sandwiches, salads, and desserts are offered on the snack bar side of the cafeteria.

CUSTODIANS

The services of our custodians are very often underrated by the students of CHS. Throughout the school year these two men devote time and energy to the maintenance of the outstanding appearance and excellent facilities of CHS.

IN MEMORIAM

"He gave us of a good heart from which the laughter came . . . of a profound wit from which a great leadership emerged. He gave us of a kindness and a strength fused into a human courage to seek peace without fear."

Senator Mansfield

JOHN FITZGERALD KENNEDY

"Through years together, dear to each heart."

BOYS' STATE

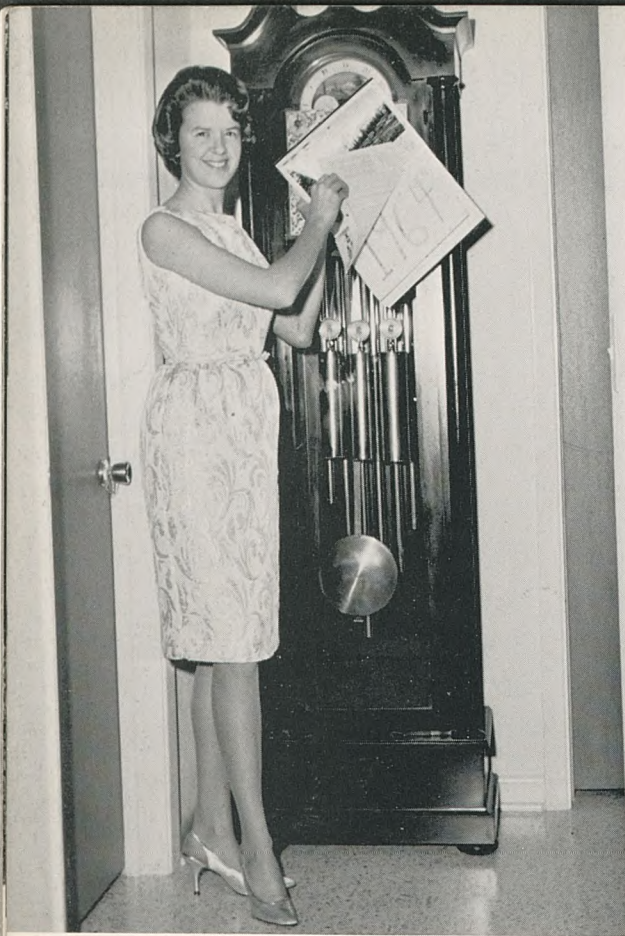

Left to right: Dan Flynn, Gary Justice, Bill Osburn, Dale Schreppe. Not pictured; Boys' State Alternates: Skip Petzold, Wallace Charles, Richard Bradley, Bob Cotton.

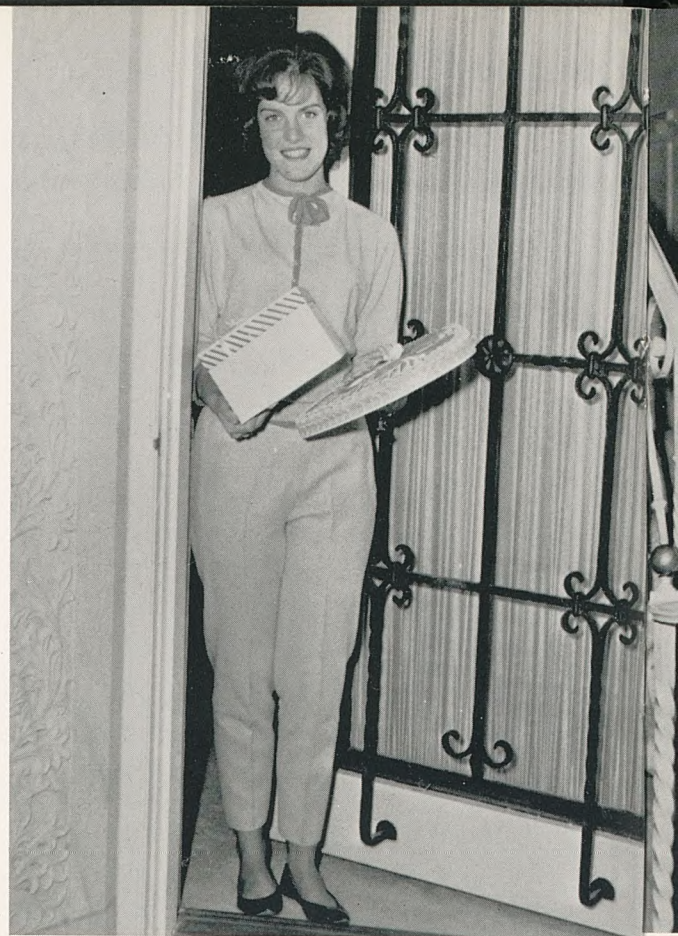

Being selected to attend Girls' or Boys' State is the highest honor achieved by a member of the junior class. In 1963 four boys and three girls were representatives from C.H.S. to this annual workshop in government sponsored by the American Legion and its auxiliary.

Clearwater

Held at the Florida State University, Boys' State started on July 7, and ended on July 13, Girls' State was also held in Tallahassee from June 21 to the 28th. During these two weeks the students learned and practiced principles of good government through lectures, elections, party rallies, and sessions at the Florida State Capitol Building.

MONIQUE PÉTER
of
Switzerland

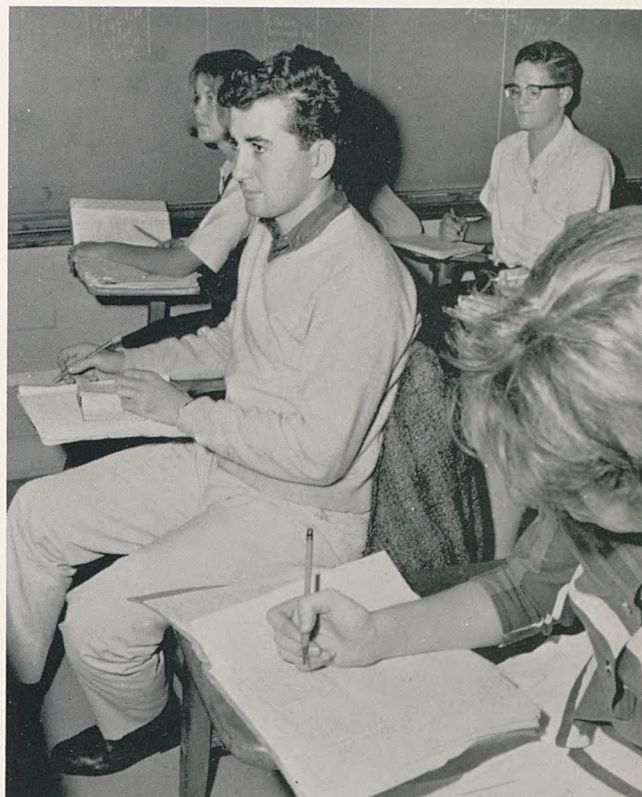

Dear Monique:

Your being here at CHS this year has brightened many a day for us. Maybe it's your warm smile or your soft accent or your friendly manner; or maybe it's all these things taken together. At any rate, we won't forget you for a long time. We hope you'll think of your Clearwater friends often after you return to Switzerland, Monique, because we'll always have a place in our hearts for you.

OUR EXCHANGE STUDENTS

Ridvan:

Can we ever forget you? Your expressive eyes and shy smile have made you a pleasing asset to the Class of '64. What can we say to let you know how much we like and respect you? We hope this year has been a successful one for you, Ridvan. As an AFS student you've shown another side of the world to the students of CHS. In the years to come we'll look back on 1963-64 as sometimes obscure and sometimes eventful but all the time more worthwhile for having known you.

London, England . . . To me that city is one of the best in the world. This past summer I came to love the country of Great Britain and, most of all, the people. Through the American Field Service I was placed in the Harry C. Mckew family of London and I now regard them as my second family.

From the very moment I left New York on the "Seven Seas" until I arrived in Rotterdam and even all summer I couldn't believe that I was actually in a foreign country. There was so much to do and so little time. My wonderful family was so generous in showing me the city of London as an actual resident sees it. Big Ben, the Houses of Parliament, Windsor Castle were some of the exciting and interesting places I visited.

I often think of this past summer, the places I have seen, the people I have met and I never can thank my English family and the American Field Service enough.

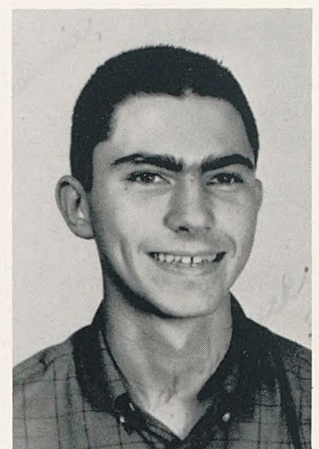

Carol Kincaid

AMERICANS ABROAD

The American Field Service program of providing scholarships for study in a foreign land to a group of carefully selected students is relatively new, although the organization itself was founded during the first World War. Since the program's initial step taken in 1947, when a small group of 50 European students were brought to America to study in private schools, the American Field Service has sent more than 7000 students from America to more than 40 countries of the world, and brought more than 13,000 young citizens from more than 50 nations to the United States. The over-all objective of the American Field Service is to further the basic understanding and friendship which exists among all men, regardless of race, color, or creed. In the course of one's stay, the AFS'er becomes intimately acquainted with the customs, ideals, problems and interests of the country in which he is studying. The year's stay of an American abroad is an enriching experience for the student. The experience is a once in a lifetime opportunity, open to any high school junior who meets the qualifications. It is an unforgettable period in one's life. It certainly has been that for me, and I am sure that it has been, and will be, the same for every member of the AFS family: past, present, or future.

USHERETTES

One of the well known and active groups of Clearwater High School is the Usherettes. Miss Howell sponsors this group which is elected each year by the students. The Usherettes are very active during the football and basketball seasons. The colorful goal posts are decorated by the Usherettes, and usually they sponsor a dance after one of the games. During the year they sell various items to promote school spirit.

We salute the cheerleaders for the wonderful job they have done throughout the year. Through cheers, pep sessions, and high spirits,

they have boosted our
teams onto victories.
Thank you Bobbie, Janet,

Mary, Kay, Debbie, and
Susan!

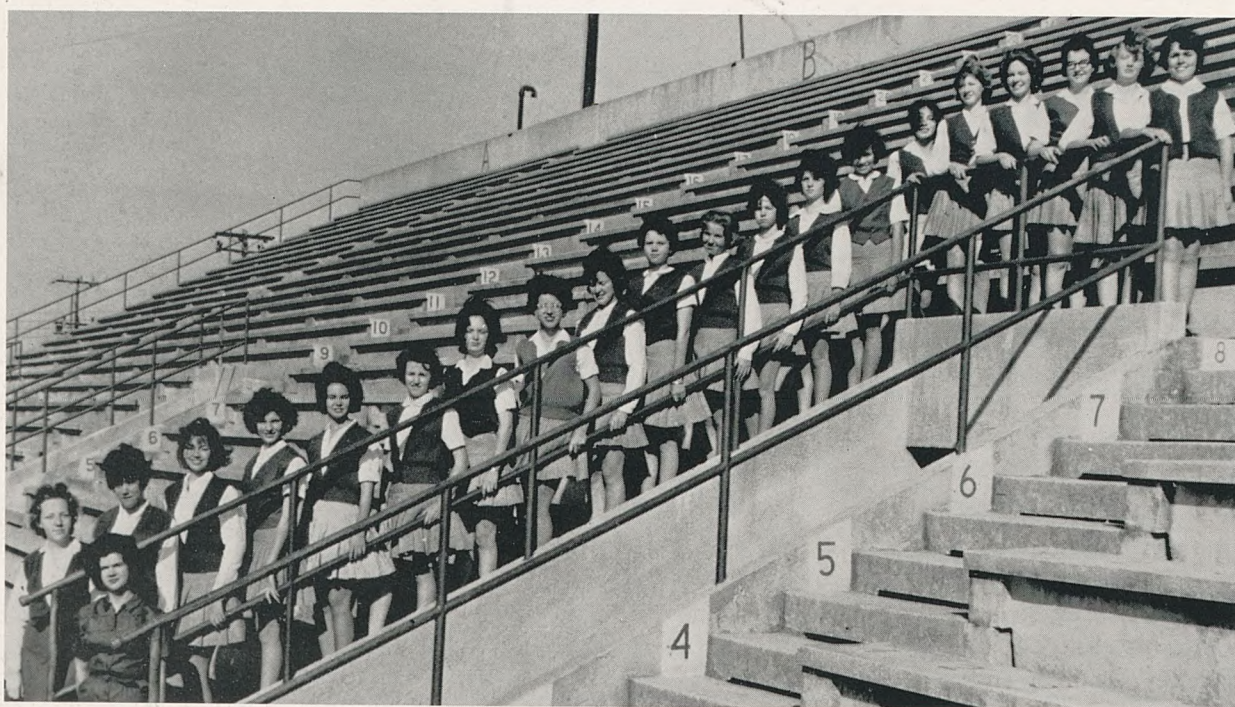

J. V. CHEERLEADERS BOOSTERETTES

Left to Right: Karyn McLeland, Mary Jo Jensen, Pam Aldridge, Carolyn Cooper, Mae Ellen Kilpatrick, and Mary Beth Kilpatrick.

The J. V. Cheerleaders put forth a terrific effort to promote school spirit at the Junior Varsity games.

The Boosterettes are a familiar sight at our football games. A group of Sophomore girls go through the stands selling refreshments in their red and grey uniforms. The profits from these sales are contributed to the C.H.S. band.

Bottom to Top: Miss Ownbey, Vi Lewis, Mary Kay Earl, Cindy Denker, Annette Chipley, Wanda Ward, Terri Jones, Aneeta Mitchell, Joan Valiant, Lucy Francis, Mary Bartholomew, Kay Hershberger, Janet Johnsa, Cathy Golden, Jackie Nichols, Janet Sykes, Kathleen Anthony, Donna Finch, Patti Richbourg, Debbie Purvis, Linda Hamilton.

FOOTBALL

open one of the most successful years in school history. A 21-0 defeat of Tarpon Springs and wins over Bishop Barry and Boca Ciega followed before the Tornadoes returned home for the biggest tilt of the season.

All Clearwater had its finest hour as their grid squad rolled up an astounding 21-6 conquest of the Dixie Hollins Rebels. At this point the Tornadoes were the tenth ranked team in the state.

Led by All-Conference players Wallace Charles, Tom Christiansen, Dale Schrepple, and Matt Thompson, Clearwater High's Tornadoes grabbed a share of the second Pinellas County Conference title by whipping seven of eight league foes. A win over Seminole and a tie by Sarasota gave the Tornadoes an overall record of 8-1-1.

Our Tornadoes nipped Dunedin 12-7 to

After tying Saratoga 7-7 at the Sailor's field, Clearwater returned home for Homecoming against Seminole. Our boys "whomped the Warhawks" to the tune of 32-7. A 14-13 victory over St. Pete, a disappointing 19-14 loss to Largo, and a 7-6 win over Northeast ended the season.

All the students of C.H.S. say "Congratulations" and "Thank you" to our football team for a wonderful and victorious season!!

STARTING SENIORS, Left to Right: Dave Spiro, Jay Guinn, Mike Hone, Jerald Collman, Bob Cotton.

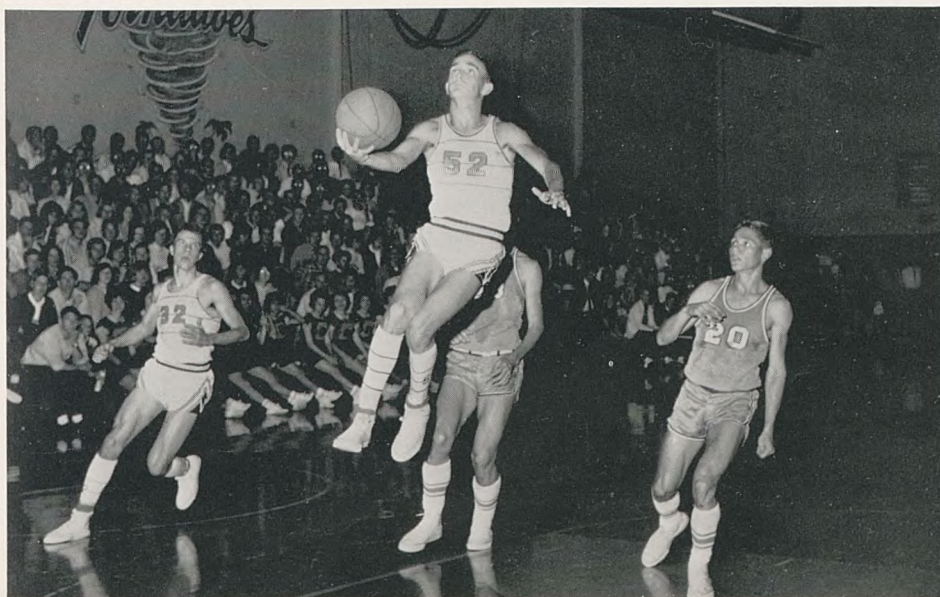

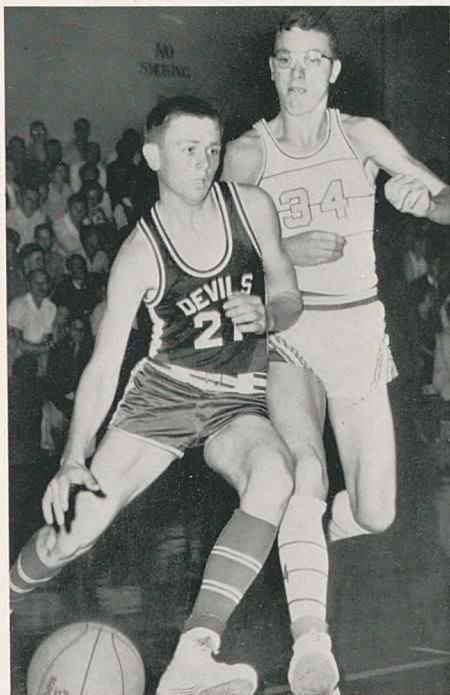

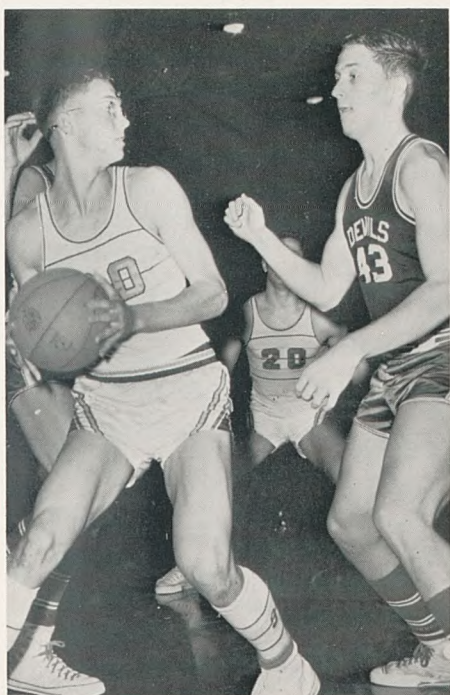

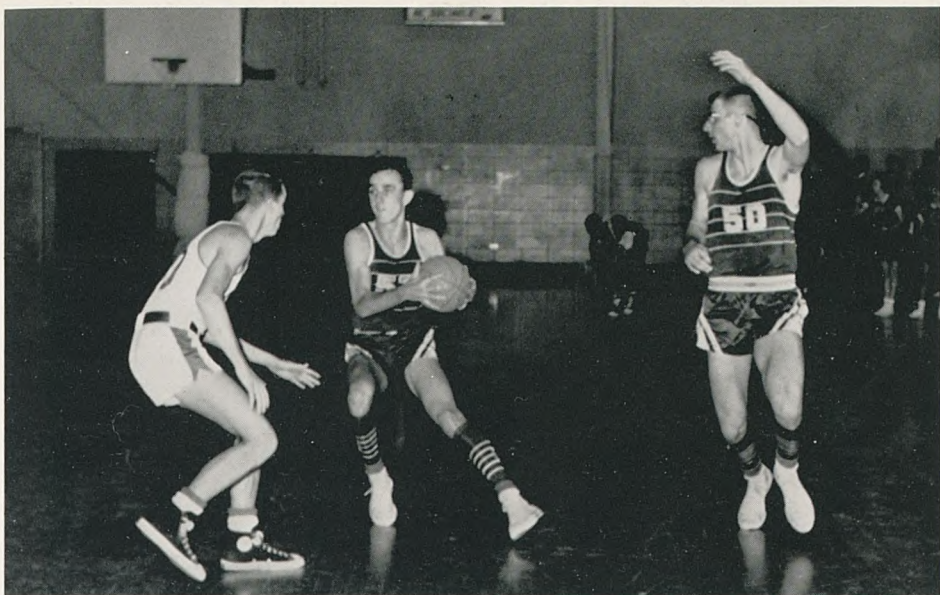

The 1963-64 basketball season saw the Tornado cagers set the Pinellas County Conference back on its heels by capturing second place. Skeptical fans watched as starting seniors Jay Guinn, Mike Hone, Jerry Collman, Dave Spiro, and Bob Cotton scored victory after victory to end the season with a 19-5 record. Jay Guinn was top scorer for the varsity team.

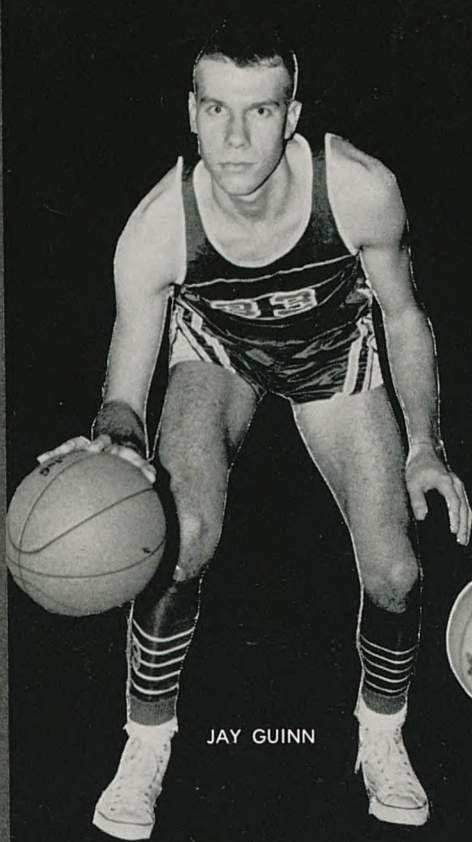

Our most exciting games were played against traditional rivals. Largo pushed Clearwater's school spirit and pride over the top when senior John Luper bucketed two magic points to swell our score to a record-breaking 100! Dave Spiro frosted the cake with two free shots to end the game with 102 points. Our two Conference encounters with Dixie Hollins also ended in Tornado victories.

The most disappointing aspects of the season were our hard-fought losses to Boca Ciega and top-seeded St. Pete High. The last conference meeting with the Green Devils saw hundreds of CHS fans descending upon SPHS to cheer the Tornadoes on to an almost victory.

The Baby Tornadoes followed the example of their big brothers by tallying a winning record of 17-5. Top Sophomore scorers were Lee Luper and Dick Knowles.

Both boys' and girls' swimming teams brought honors back to CHS last season. The boys won the County Championship and went on to almost cop the District title. The girls swam to both Championships and, at the State Meet, won honors in free-style and medley relays. Kay Walker placed first in her category. This year looked just as promising as our CHS swimmers set their sights on local and State championships.

STANDING, left to right: Harry Jamieson, Steve Murphy, Geoff Courtright, Gary Bojel, Chuck Hines, Jim Brady, Jim Forsyth, Gary Koch, Jim Carlisle, Lewis Homer, Tim Daly, Dick Perkins; ROW 2: Jack Kierecki, Mat Thompson, Wayne Le Fleur, Larry McMillan, Allan Pomper, Bruce Larson, John Wice, Bill Koontz, Don Prokes, Bill Erickson, Ty Allen, Bob Heimlich.

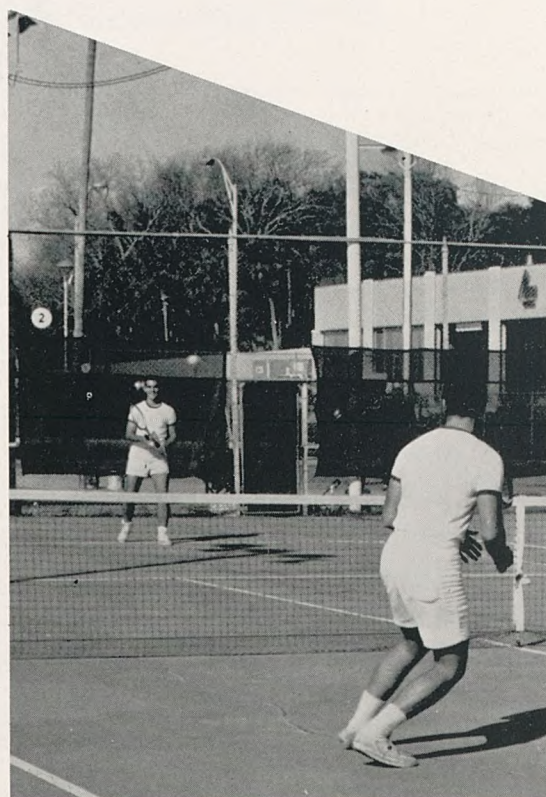

TENNIS

KNEELING, left to right: John King, John McMullen, Steve Beeland; STANDING: Tom Goodgame, Morris Behar, Steve Woodbury, George Erdenberger.

Junior Steve Beeland led the boys' tennis team through a successful season. The team's first match with Largo ended in disappointment, but the boys came back with two continuous wins over Dunedin and Northeast.

The girls' tennis team, led by number one player Mary Marquardt, launched a successful 1964 season with impressive wins over Largo, Dunedin, and Northeast. With an eye on the Conference Championship the team practiced constantly and played consistently well in their matches with other County schools.

JUNIOR

As money-mad juniors, we found ourselves coming up in the world. Candy sales, concessions and other projects helped to raise money for our top-notch Junior-Senior Prom. Dan Flynn was chosen to guide us as our class president with Kathy Percival to assist him as vice president. Tom Waldron was our secretary and Dale Schreppe handled our money as treasurer.

Queen Kit Dietrich reigned over a successful but disappointing homecoming week. The entire student body witnessed a disheartening 7-6 loss, despite our "Sink the Sailors" efforts.

Again we had an outstanding basketball season. After winning the Conference Championship, we lost to "Dixie" to again become district runner-up. Including this loss we had a remarkable 18-2 season. Honorable records were also accumulated by all Spring sports. The swimming team had its most successful year ever, winning both district contests and participating in the State meet. The baseball team won district runner-up and the track team placed fourth in conference. C.H.S. tennis teams also made a good showing.

The long awaited prom week drew near. Elaborate planning and decorating followed a "Southern Plantation" theme produced the best prom ever. This brought an end to a most successful junior year.
